Practical Green skills and wellbeing tutor
Salary Scale 6/7 (points 29-33), currently £34,314 to £38,601 per annum, pro rata.
Hours per week: 18.75

Benefits: include free parking, free lunch, free hot drinks, generous annual leave, generous pension scheme, health cash plan, NUS discount cards, a unique working environment, 6 acres of beautiful grounds.

Fircroft is a residential college occupying a former Cadbury family home, set in six acres of beautiful grounds in Selly Oak, Birmingham. We were originally founded to provide educational opportunities for some of the most disadvantaged and excluded members of society. More than one hundred years on from the birth of Fircroft College, its mission of 'social justice' is more relevant than ever.

Fircroft is a thriving and ambitious College, our values are embedded throughout the organisation and we are consistently nominated for sector and professional awards as an employer. We were assessed at "Platinum" Level in 2025 by Investors In People. As an organisation, we are truly passionate about climate change and sustainability and were the first College to declare a climate change emergency - in joining our team, you will have an incredible opportunity to make a real difference in this vital area.

We are looking to appoint a Practical Green skills and wellbeing tutor. The post holder will be required to plan and deliver the college's Green skills, Health and Well-being provision across a range of levels. As a member of the Education Team, you'll undertake a teaching commitment currently from Entry Level 3 to Level 3 Access to Health and Social Care. You'll contribute to the development of our curriculum and will collaborate with staff across the college to ensure an excellent learner experience from initial assessment through to progression.

To be considered for this role you must have experience of teaching practical Green skills courses, Health, Wellbeing, Personal & Social Development and a Level 4 recognised teaching qualification (or the ability and willingness to gain one within a period of 2 years from appointment). We're looking for someone who holds a Level 4 qualification in a relevant area or gained equivalent professional experience in Green skills, Health and Wellbeing.

The right person will be someone who enjoys working at a fast pace with a variety of different tasks, who is self-managed with a strong work ethic, who has a positive outlook and a 'can do' attitude and is a completer / finisher.

If you meet the criteria above and would like to apply for this role please visit https://www.fircroft.ac.uk/Pages/Category/current-vacancies . Here you will be able to download an application form and equal opportunities form to complete and return to us by the closing date.

Closing date for this post is: 4 December 2026
(You are encouraged to apply for the role as early as possible, as the post may be closed at a stage earlier than the specified closing date if sufficient applications are received.)
Interviews to take place: TBC

This College is committed to equality of opportunity, safeguarding and promoting the welfare of vulnerable adults, and expects all staff to share this commitment.

In 2021, we were very proud to affiliate with the Black FE Leadership Group. We particularly welcome applications from underrepresented groups including ethnicity, gender, transgender, age, disability, sexual orientation or religion.
